

Stagecoach North Scotland Buchan Travel Guide from 08 January 2018

This booklet contains all the timetable and route information you'll need for travelling around the Buchan area, including maps of our routes on the centre pages.

Easy Access

We make every effort to provide wheelchair accessible vehicles on our services, however, there may be exceptional circumstances when we need to substitute another bus rather than miss a journey.

Real-Time Tracking

We provide real-time bus information on all our routes, enabling our passengers to check exactly when their bus will arrive. You can plan your journey on www.stagecoachbus.com or using our app.

Timetable Variations

A normal service will operate on Good Friday and Easter Monday. A Saturday service will be in operation on May Day. No services will operate on Christmas Day and New Years Day. Adjusted services will operate during the festive period, please see separate publications issued for this period.
